

REAL ESTATE AERIAL PHOTO PACKAGES

Starter Package - \$150

Perfect for quick listings that need professional aerial coverage. Includes high-resolution aerial photography designed to highlight property layout, surrounding features, and overall scale. Images are delivered optimized for MLS listings, social media, and marketing use.

Standard Package - \$200

Our most popular option for residential and commercial listings. Includes a full aerial photo set capturing multiple angles, elevations, and key property features, plus a short cinematic drone video ideal for social media and online marketing. Delivered in high-resolution formats optimized for MLS, digital platforms, and promotional use.

Premium Marketing Package - \$250

Designed for listings that need maximum visual impact. Includes expanded aerial photo and video coverage, cinematic angles, enhanced editing, and additional shots focused on surroundings, access points, and property highlights.

COMMERCIAL & BUSINESS MEDIA

Commercial projects are customized based on scope, location, and deliverables. Pricing typically starts at \$250 and includes professional aerial imagery tailored for branding, marketing, or promotional use. Video production and ongoing content packages are available upon request.

CONSTRUCTION PROGRESS DOCUMENTATION

Recurring aerial documentation services are available for ongoing projects. Pricing starts at \$200 per visit, with discounted rates available for scheduled monthly or multi-flight packages.

*Multi-shoot discounts are available for clients booking multiple properties or recurring projects.

**All pricing includes travel within a 30-mile radius of Jonesboro. Additional travel outside this area may be subject to reasonable travel fees.
